BACKACHE, LEG PAINS MAY **BE DANGER SIGN** Of Tired Kidneys

When disorder of kidney function permits poisonous matter to remain in your blood, may cause magning backache, rheumatic pains, less of pep and energy, getting up nights, swelling, puffiness under the tree, beadaches and dizziness. Frequent or beauty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's fills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give sappy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Clark Says Law Exists to Handle Reds

torney General Clark said today communism. In this country can be curbed by tightening up laws already on the books.

He said there is no use trying to outlaw the Communist party because that would only drive the members underground. And, he said, such a law might be declared unconstitutional.

There is "no more potent weap-un," he added than the work of the House Committee on Unamerican Activities in "bringing into the spotlight of publicity the activities of individuals and groups."

Clark suggested to a subcommittee of this group, however, that Congress:

Congress: 1. Require all aliens to report

their addresses once a year.

2. Permit the Justice Department to hold aliens for a definite length of time when their own countries refuse to take them back.

3. Hold officers of subversive groups responsible for seeing that they are registered under the Voorhis act. This act requires registration of groups which are under foreign control or aim to overthrow the government by force.

4. Strengthen the Espionage Act along lines to be recommended later.

Traders Are Undecided on **Grain Market**

You can meet grain traders who will argue either way. That in itself is a change. A few months ago the only way wheat and other grains could be seen going was up. Declining prices always created pessimism. Arguments are trotted put to explain the slump. With mices down sharply in recent weeks, the arguments supporting the thesis that the big boom is over are plentiful. They evolve around these points:

1. A congressional law requires in a statement. In my judgment it imposes an assumption that something is wrong with civil rights."

Rep. Trimole called it "the same old row within the Democratic party which has occurred every presidential election year since I can remember."

"It is well that we lark each other in the shins occasionally in a good eld family row." Trimble (ald a reporter. "But I hope we contine it to shin kicking only."

Police were placed on the alert last night after a 36-hour search failed to uncover any clues that might lead to Kuhn's hiding place.
The police said they were making a concentrated search in the Dachau area and that the Dachau camp had been placed on an alert to prevent additional escapes.

American authorities maintained a hands-off policy since Kuhn was held for denazitication trial by German's in a German court.

However, since German police handled the manhant in a routine manner since Kuhn was unknown in Germany as leader of Nazi activities in the United States, it was possible that American authorities might step in to speed his recapture.

It was believed that Kuhn fied of the decision previously he would agree to sending ahead a small staff of one or two nersons. At the time
